### Winemaker Notes

Prestige Brut Estate is grown on our estate on the south side of Gaspereau Valley, planted in 2005 on deep schist, sandstone and sand- an ancient seabed. A three year terroir study conducted by French Bordeaux experts revealed that the grapevine roots are three feet deep and they have worked for every inch. Cropping yield is naturally balanced with moderate vigour and 2015 gave a low 1.5 tonnes/acre, 22 hectolitres per hectare. The wine was aged 66 months sur lie and with its significant mineral backbone it can age further in the bottle post disgorgement to its 10<sup>th</sup> birthday. Traditional methods of hand riddling and disgorging to ensure utmost quality. Toasty brioche aromas are dominant with signature mineral and a slight saline essence owing to the ancient seabed origins of our soil and proximity to the Bay of Fundy. This vintage also boasts characters of walnut, creamy, fennel and peach.

Decanter World Wine Awards 2022, London, England – 88 points, Bronze Medal

Judges' notes, "*Perfumed with rose, white peach and toast; and a bright palate of zesty lime zest and apple.*"

### Food Pairing Suggestions
