Winemaker Notes

Dry with aromas of peach and passion fruit followed by orange zest and juicy orange flavours with a backbone of signature minerality and slight saline from our ancient seabed estate.

Hand harvested from 14 year old vines with root systems over three feet deep that had to work for every inch through our well-drained, rocky schist and sandstone ancient seabed soil that naturally does not encourage high vigour. This soil is why we bought our property in 2004, very different from the typical water-holding clay loam that dominates the north ridge of our valley. We encourage a living soil supported by our organic practices so that the special terroir flavours are accentuated, and this vintage shows it off with pronounced mineral texture and a touch of saline. 50% crushed and allowed skin contact for 24 hours before pressing. It was aged over the winter in stainless steel and bottled in the spring, finished dry to showcase its minerality.

Awarded Bronze medal at 2021 National Wine Awards of Canada.
